### **Proper Cost Preparation = Project Success**

Having Peace of Mind and Confidence FACT's Construction Costs Reports are Fair, Accurate, Comprehensive, & Thorough is easy when you have over \$170 Million of successful bids & estimates in just over the past 18 months.

FACT 's state of the art F3 Data & Analytics System gives our clients access to a baseline of current and local building costs that cover every facet of building requirements.

With Over 20 Divisions of construction scopes calculated daily which include direct costs from sub contractor's & suppliers, FACT Reports are generated with confidence and comfort that everything required is accounted for and project needs are met to ensure winning results.
